Part 4.

Elderly people who live alone should be taken care of.

Each of us will turn to an elderly person in thirty, twenty or even ten years. Now those are just our parents, grandparents, aunts or uncles. I think, but

until this age does not come, we think that every day⁵⁰ the elderly run out of vitality and energy.

From the height of early age it seems that all elderly people become dependent on the young, waiting

for their attention, care and love. You always have to remember that people die from illnesses, not from old age.

A healthy lifestyle is ¹⁰⁰ the key to the normal mental state, physical condition and active. ~~The~~ The terms of a healthy lifestyle are simple and accessible to everyone.

To stay in an active position in life is very simple.

First of all, you must want it.
