Dear Tom,  
Thank you for your letter.

Sorry, but I don't truly know what I do <sup>at</sup> ~~at~~ <sup>the</sup> weekends.

<sup>Every</sup> ~~Each~~ week I do something new and important for me too. I can sit at home and draw pictures while listening to music, or watch films, eat <sup>?</sup> ~~and~~ <sup>?</sup> ~~lie~~ lie on my bed like a small pig, or go with my friends outside to breathe fresh air. As usual, we take pictures of ourselves on the different backgrounds. Of course, we have cinemas, and two of them're located near ~~to~~ <sup>at</sup> my house.

As I said, I go outside often with my friends, or to see my family and go with them to the cinema.

Best wishes, Ilya
