Tom got off the train and as the train left, he realised he was holding the wrong suitcase. He did not know what to do. He was looking around, thinking if he could find owner of the suitcase. After some time, Tom went to tell this to the guardians. Tom gave to guardians this unknown suitcase. After some research they found suitcase's owner's passport. It had all information to find him. He was an elderly man with a big beard, big nose, smiling face and erect and 3 inches tall, but the most important information was his address and his phone number. They immediately called him and told him what Tom accidentally stole his suitcase. The elder man was shocked. He got off the train on the next stop the one mile away. Guardians ordered taxi to his exact address where he currently was. It was a very long ride. Tom already almost fell asleep. ~~At~~ At the arrival Tom couldn't find this elderly man. He didn't tell Tom he is going to coffee! After half an hour Tom finally found him. Tom was very surprised to see his suitcase with an elderly man. This elderly man had a memory loss and forgot about his suitcase. It was stolen. They both were happy. The end!
