Tom got off the train and as the train left, he realised he is holding the wrong suitcase. He decided to check what open the suitcase and found a note. Tom started to read this note:

"If you somehow have my suitcase, please give it back to me. I am living in Amsterdam, Young Street 3. Also call to my number (which is written on suitcase), when you will be nearby my house."

Tom then decided to return the suitcase later, because he had a lot of work to do right now.

When Tom did all what he needed work, he went to Amsterdam to return this suitcase.

When Tom came to the Young Street 3, he phoned to the suitcase's owner. And he heard next thing:

"I am not living in Young Street 3 right now. And, to be honest, I don't need my suitcase. You can take it for yourself."

After this words, Tom just came back home and started to do another work.

199.

$$2 + 2 + 1 + 1 + 1 = 75$$
