Dear Christine,

I am so sorry that you waited this letter <sup>for</sup> two weeks. I'm so busy! I go to school every day and after school I <sup>spend it.</sup> lose all my free time <sup>doing it.</sup> for homework and <sup>having</sup> bike races. But it doesn't matter. Did you really quarrell with your best friend Linda? It's impossible! I think it's <sup>just</sup> a little <sup>opp</sup> misunderstanding. Try to <sup>1+</sup> speak <sup>to it.</sup> with her about it and <sup>up.</sup> I'm sure you will be best friends again. For example, when I <sup>2+</sup> quarrell <sup>with</sup> my friend Pavel about football teams, I start to <sup>3+</sup> speak with him and we solve our problem.

And how about sports centre? What <sup>4-</sup> did you do in <sup>your</sup> sports centre? How many kinds of sports <sup>1.</sup> are there in centre? Did you go alone to <sup>2-</sup> the centre? It's <sup>3-</sup> a very interesting for me, answer please.

With best wishes,

Vadim
